Prospective Bidders

Re: Addendum #2

W2016-90-A

PARKS TREE INVENTORY, DATA COLLECTION & ASSESSMENT

=====

Questions:

Q) Do you have any preference for the GIS software we would use?

A) A compatible version to ESRI ArcGIS version 10.4 software.

Q) Looking over the map, there are some trees that abut the yellow lines but are outside the area noted. Minor point, but would these also be included? For example, the Lakeside location has a few trees to the bottom left of the noted area that seem to be in the same line and there is also a line of trees along the road to the right of the noted area.

A) If a vendor would like to set up a Site Visit to go over any clarifications on site boundaries please contact Shohn Rodgers, Parks Manager at 972-516-6371 between 8-2pm CDT prior to September 2, 2016. Before beginning work the City will mark the perimeter that is to be inventoried and go over boundaries with awarded vendor. All trees inside the marked area with a diameter of 3 inches will need to be included in the inventory.

Bid due date changed to September 9, 2016 prior to 3pm CDT

Vendors who may have already submitted a bid and feel this addendum may change their bid price may pick up their bid and return it **prior to September 1, 2016 @ 3:00 PM CDT**. If picking up the bid is not feasible, any new bid submitted by your firm will supersede one previously submitted.

If you have any questions regarding this addendum, please contact the City of Wylie Purchasing Department, (972) 516-6131.

Acknowledge receipt of this addendum by initialing in the appropriate space on the Vendor Acknowledgment Page if you have not previously submitted a bid.
